The inaugural Chairman's Preschool Scholarship Gala is an event to raise critical funds to provide preschool scholarships to deserving low-resourced, working and military families.

### Supporting the Chairman's Preschool Scholarship Gala is most important for several reasons:

- Over 80% of Hopkins House preschoolers receive some form of tuition assistance;
- With the cost of preschool education consuming more than half of a working families budget, preschool scholarships are critical;
- For every one dollar (\$1) invested in early childhood education there is a yield of seven dollars (\$7) in savings on reduced remedial costs and special education, welfare and criminal justice savings.
