1	More regular weekly student reports. Earlier announcements of closures or delays.	1/26/2016 6:08 PM
2	Continue to promote communication between teachers and parents as to what the the children are learning, what they are doing and how parents can support those goals/activities.	1/26/2016 9:56 AM
3	The policy surrounding disciplinary action needs significant improvement. There are children being victimized by other children on a regular basis, and the process of improving the bad behavior is far too lengthy and unknown to the victimized family. The handbook states that every child has the right to a safe environment, but I find that is not the case. The "bad" kids are protected far more than the victimized kids. I would like to feel like I'm sending my child to a safe classroom, and right now I do not.	1/25/2016 10:43 AM
4	My child is in the infant room and experiences diaper rashes frequently when coming home from school. This is a concern for us.	1/24/2016 1:12 PM
5	Our children have thrived at Helen Day! Thank you!	1/22/2016 4:04 PM
6	Clean the childrens' noses and faces regularly in the Toddler class to help prevent the passing of germs. Possibly add face cleaning to the diaper change regular schedule.	1/22/2016 12:47 PM
7	Very happy with the Toddler room, cannot think of any improvements. Ms. Grify, Mr. Michael, and Ms. Francine have great communication and creativity to advance our children. Reference the administration, teachers should be more aware of the information parents receive from the parent council. I see no reason why they cannot be courtesy copied on the parent council emails that relate to information about the school.	1/21/2016 9:46 PM
8	It would be nice to have detailed information about the teachers. During last year's teacher appreciation week, a one page document with information on teachers and staff was sent around. As a parent, I would liked to have received this information on the teachers, assistants, and aids when we entered the room and when a new person was introduced into our child's room. Seems small, but I like to know who my child is spending 10 hours with during the day. During the Infant 1 and Infant 2 deconsolidation, it would have been nice if parents affected had more notice and teachers of the child was aware of the transition plan. As a teacher, I expect the teacher to know overall everything that is happening with my child in regards to their daily activities and progression. Teachers heard rumors from parents and not properly notified or informed by administration. It also seems to be a lack of resources in classrooms. Either the school supply list should be better thoroughly prepared or increased in the quantity of numbers to support activities throughout the year. Instead of supporting more scholarships, donations should be applied to classroom supplies, equipment, activities, and staff salaries. Why cover scholarship when the funds can be reinvested in the quality of life of our children.	1/21/2016 9:38 PM
9	Monthly billing statements sent via email; more notice about teacher days	1/19/2016 3:45 PM
10	flexibility with start dates and tuition	1/19/2016 2:44 PM
11	The staff at our center are wonderful, but there is a lot of turnover, which affects parents and students. Please consider inquiring with staff what they need to stay aboard at Helen Day and then consider putting these things into practice. We have lost too many quality educators.	1/18/2016 9:57 PM
12	STAFF RETENTION	1/18/2016 4:26 PM
13	The rooms are very disorganized. Kids stuff and teaching items are everywhere. It doesn't inspire confidence.	1/18/2016 3:43 PM

2	The services are excellent. My son initially had a tough time with transition however he is doing well. The only concern is the tuition rates. There is currently a waiting list for on base childcare. I would love to keep my son in the academy but the tuition maybe a factor when space becomes available on base.	1/22/2016 6:37 PM

3	All of the teachers and teaching aids are doing a great job I think that they should get more paid time off.	1/21/2016 10:06 PM
4	Better communication between teacher and parent at pick up.	1/21/2016 7:04 PM
5	Communication with both parents, trying better to keep uniforms cleaner with smocks because i cannot afford more uniforms , asking my permission before doing something to my child, there always a fee for something but you never have money for the special events, and diapers go so fast and i dont know why??	1/21/2016 1:58 PM
6	0 Tuition for a week of vacation each calendar year	1/21/2016 1:43 PM
7	well my child is in preschool and they only do art activities. I've never seen worksheet to help with learning the a, b, c's. I want my child to know more then just coloring. At this age in preschool the children should be starting to write a b c.	1/21/2016 1:32 PM
8	need more room for the infants room, love the infant teacher but not clutter the space.	1/21/2016 1:13 PM
9	We love the school and are very happy. The entire staff is amazing! I hope the teachers, and their assistants are paid well, including paid holidays because we would hate to lose any of them! Many daycares have such high turnover rates and it seems like Hopkins House does not. Kudos to you all!	1/20/2016 10:43 PM
10	Is there a way to get a copy of the food calendar detailing the meals the children eat each day? Is this available online. I like to try to not feed my child the same thing for lunch and dinner. Having this information for the month would help with meal planning.	1/20/2016 9:59 AM
11	love the daily updates, allows immediate feedback and how my child is progressing. Would love to see some of the teaching documents to continue activities with my child that they learned that day/week at home.	1/19/2016 11:22 PM
12	I feel some of the new assistant that cover closing, need additional training on interactions with parents, supervision, how to handle closing professional, etc.	1/19/2016 7:06 PM
13	Move computers into each room for appropriately aged children. Hire an official music staff member part time.	1/19/2016 6:38 PM
14	Keep up the great work!	1/19/2016 3:09 PM
15	I would suggest that you consider giving parents 1/2 tuition rate when their children go on vacation for up to two weeks. Thank you.	1/19/2016 3:07 PM
16	Consistently send out weekly reports to parents.	1/19/2016 1:45 PM
17	The preschool teacher does not clearly articulate what specifically the children are working on and what her vision is for the class in the upcoming months. I'm not seeing very much creativity in their learning environment. Ms. Greta is very transparent and available; however, she is too passive in her approach to affecting change and addressing issues. We love the McNeil academy, but our experience in the Preschool classroom has been subpar. As a member of the Executive Parent Council, the enrichment programs are an added benefit to enrollment at the academy; however, the academic emphasis is lacking. Leadership from the top down is what I believe needs to be addressed.	1/19/2016 1:42 PM
18	The infant classroom was moved without any notice to parents and then number of kids of the class grew significantly. The teachers (who we adore and are the reason we have stayed at Hopkins House) are overwhelmed and stressed which is clear whenever we pick up our child. This impacts the children in the classroom and it is clear that the change in environment and atmosphere has not been positive for the kids. With the new set-up there isn't a good way to split the mobile infants from the non-mobile infants so it would be preferable to split the class into different rooms (or have a set-up similar to the previous classroom). Better communication from administration about these changes would be useful and greater appreciation and responsiveness to any teacher concerns would be beneficial moving forward.	1/19/2016 1:38 PM
19	None, I am pretty happy with how Hopkins House is operating their facility.	1/19/2016 1:25 PM
20	The education and teachers have been fantastic for our daughter who is now in Toddler classroom. Not much I would change from that perspective, however with a second child on the way who will take advantage of your center within the next few months, the additional daycare costs will be somewhat burdensome. If there was an option for a more discounted rate for a second child to be considered, that would be very very helpful. I dislike the idea of separating my two children during the day to find a cheaper rate, which would also be incredibly inconvenient. Thank you.	1/19/2016 12:51 PM
21	I sometimes wish we still received daily reports in JK Prep although with less detail. It's hard to rely on my child to figure out major things like if she napped, or if she had a BM, which help me prepare for my evening with my child at home.	1/19/2016 12:49 PM
22	Perhaps provide paperwork such as medical forms and monthly menus, online at your website, so that parents can print at home. Class newsletters should also be emailed to parents to save money on printing.	1/19/2016 12:23 PM
23	I would like to see car seat safety info sent around and a certified car seat expert on hand a few times a year. I've noticed a few families who do not properly use their seats. I think this would be a great safety tool to add to the programming Hopkins offers.	1/19/2016 12:19 PM
24	The curriculum needs to be inforced more cause I don't feel like my child has learned what he needed to learn as he is getting ready to enter kindergarten	1/18/2016 6:33 PM
25	Several families were to be issued credits as a result of the NAEYC re accreditation. However, a year later this credits are still outstanding. Additionally, we haven't received adequate information from the management as to when the credits will be issued.	1/18/2016 5:06 PM

1	I would suggest adding a way to track and download payments and print out receipts and Tax forms on your site. The option would alleviate the need of requesting and waiting for payment information. Also, there was a recent increase to the weekly tuition. According to the letters we received, the original amount we were paying was a 'promotional rate'. There was absolutely no mention of promotional rates when we first enrolled our child. Very suspicious way of conducting business.	1/28/2016 3:38 PM

7	maintain consistent staff	1/21/2016 2:20 PM
8	Have an online portal where I can check tuition balance, etc.	1/21/2016 12:38 PM
9	Better communication with parents about what happens during the day. There should be standardized written reports that all teachers report the same way and include all incidents. Parents shouldn't hear about issues at home from the child first. There are a handful of quality teachers, it's hit or miss if your child will get the same teacher or a good teacher each day. Lacks consistency. The program has good intentions, but needs a lot to improve. It works for cost and location, but lacks in quality.	1/18/2016 4:37 PM
10	I think the school is providing the necessary care that we needed	1/18/2016 3:45 PM
11	Updating website to an easier to use website Management being easier to work with When moving from classroom to classroom, it would be helpful to have better information on what the new class will need/be doing different compared to the class you were in.	1/18/2016 3:34 PM
